

**CME INFORMATION**  
**NY-EVS 2023: Advanced Therapies for Complex Vascular Disease**  
**Sept. 22-23, 2023**  
**New York, NY**

**Target Audience**

This program is designed for Vascular Surgeons, Interventional Cardiologists, Interventional Radiologists, Internists, Podiatrists, Endovascular Fellows, Nurses, Technicians, and other Allied Health Care Professionals.

**Educational Goal**

The purpose of this activity is to provide participants with an effective approach in the management of peripheral artery disease (PAD) and venous disease.

**Learning Objectives**

- Describe the indications, risks, and complications of interventional therapies in the treatment of cardiovascular disease, peripheral artery disease, and critical limb ischemia.
- Identify contemporary approaches in peripheral vascular management.
- Explain appropriate applications of new endovascular technologies for patients with vascular disease.
- Explain proper use of diagnostic tools for peripheral artery disease.

**Accreditation**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of *CMEsolutions* and Gaffney Events. The *CMEsolutions* is accredited by the ACCME to provide continuing medical education for physicians.

The *CMEsolutions* designates this live activity for a maximum of 16 *AMA PRA Category 1 Credits*.™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component and 75% passing on MOC test, enables the participant to earn up to 16 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
